THE RESONATING 'MOTHER'S DAY' CHORUS

When God, the Almighty chose a people as His own to be the torchbearers of His love to the whole world, He gave them the Ten Commandments – which has two sets. The first three commandments form the first set as they teach about respecting God, whereas the next seven commandments about people's relationship with each other.

The first commandment of the second set is – Honor thy father and thy mother (Exodus 20: 12). That is the utmost importance God gave to our MOMs and DADs. After God, next is Mom & Dad.

As we celebrate Mother's Day today (14/05/2023), let us continue to honour our Mom. She just deserves it. As the Petrine choir sang the melodious song from the film Karan Arjun during the special assembly celebrating Mother's Day, from its heart touching lyrics Petrines were reminded of the steely resolve of their selfless MOMs, of who their loving MOMs really are, of what their dedicated efforts towards their super MOMs would be, and of what their hearts' desires are.

The steely resolve of their selfless MOMs: -

तुम् हो मेरे जीवन, तुम्हें देख-देख जी लूंगी
मैं तो तुम्हारे खातिर दुनिया का ज़हर पी लूंगी

Who their loving MOMs really are: -

ममता के मंदिर की है, तू सबसे प्यारी मूरत
भगवान नज़र आता है जब देखें तेरी सूरत

What their dedicated efforts towards their Super MOMs would be: -

तेरे पावन चरणों में आकाश झुका देंगे हम
तेरी राह में जो शोले हों, तो खुद को बिछा देंगे हम

What their hearts' desires are: -

जब-जब दुनिया में आएँ, तेरा ही आंचल पाए
जन्मों की दीवारों पर हम प्यार अपना लिख जाए

Hence, the Petrine chorus on Mother's Day, resonating throughout the day is, indeed,
ये बंधन तो प्यार का बंधन है, जन्मों का संगम है

HAPPY MOTHER'S DAY! God bless the Petrine MOMs, Petrine Family and our enchanting Jammu.

Praise the Lord!

World Red Cross Day

The World Red Cross day was celebrated by the talented Petrones of 10th B to honour the birth anniversary of Henry Dunant, the founder of International Committee of the Red Cross (ICRC) and the recipient of the first Nobel Peace Prize. The students were acknowledged about the significance of this propitious day that is celebrated across the world to celebrate the spirit of humanitarianism and recognize the individuals who make a difference in their communities.

The theme of World Red Cross Day 2023 is

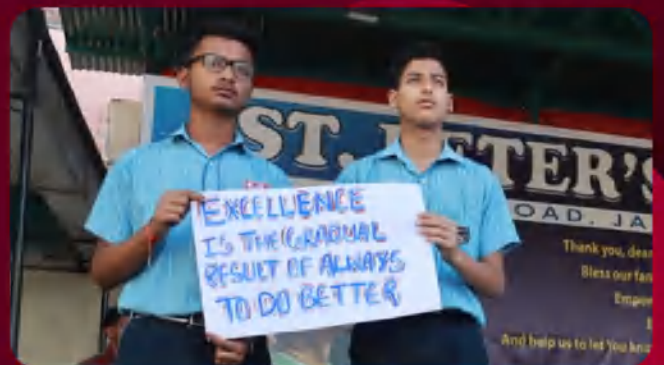

'Everything we do comes #fromtheheart'

Apart from this, the students from various classes contributed towards this noble cause by raising funds on the sale of raffle tickets.

'Excellence is an art won by training and habituation'

The zealous students of the Petrine Student Council displayed a wonderful assembly on striving and 'Toiling Towards Excellence'. Excellence is an unimaginable feat without hard-work, consistency, perseverance and resilience. The students were inspired and encouraged to have courage and risk-taking ability to seek out new opportunities and strive towards brilliance.

National Technology Day

It is not that we use technology, we live Technology

The magnificent Petrones of the Computer Club organised an informative assembly on 'National Technology Day'. This day is dedicated to honour the scientists and researchers for their contribution in the development of technology in India. This day aims at highlighting India's achievements in the areas of Space, Atomic Energy, IT, Pharmaceuticals and biotechnology. This remarkable day is celebrated to commemorate the three nuclear tests that were held in Pokhran Rajasthan under the operation Shakti. The students were motivated to recognize and glorify the role of science and technology in their day today lives.

टेक्नोलॉजी ओ टेक्नोलॉजी

कहां तुम हमको ले पहुंची?

कल तक जो हमने देखे थे सपने ,हकीकत में तुमने बना दिए अपने अब तो ख्वाब देखते लगता है डर, कहीं आसमान पर ना हो अपना घर पहले पत्र लिखते थे ,महीने रिप्लाय को तरसते थे,

फिर आया टेक्नोलॉजी का जमाना,

बंद हुआ पत्रों का जाना-जाना,

स्मार्टफोन ने किया सबको स्मार्ट,

और भुला दिए सब की इतिहास,

दोर बहुत ही अच्छा था,

जब अखबार ही अच्छा था,

फिर आया टेक्नोलॉजी का जमाना ,

कम हो गया अखबार का जाना-जाना ,

टेलीविजन ने बदल दिया जमाना,

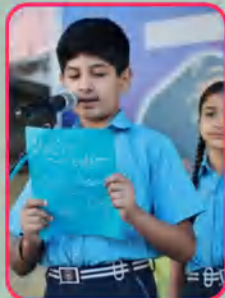

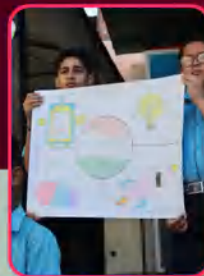

इंसान घर बैठकर देश देश को जाना,

टेक्नोलॉजी को दुरुपयोग से बचना है ,

इसका सदुपयोग करके हमने अपने जीवन का वरदान बनाना है ,

विज्ञान के मैदान से इसे मानवता के लिए एक सुंदर उपहार बनाना है

और इस टेक्नोलॉजी की दुनिया में भारत देश का सम्मान बढ़ाना है

International Nurses Day

The Petrine Student Council members from class 10 showcased a scintillating performance on the International Nurses Day and reminded us of the noble soul Florence Nightingale. Can you imagine a hospital without nurses? Petrines would say 'A hospital without nurse is like a building without foundation'. Moreover, many of us are unaware of the fact that our Coordinator, Mrs. Stella Alexander is a qualified nurse. Let us wish Mrs. Stella Alexander, Mrs. Anjalina, our school nurse and all the nurses all over the world, a happy Nurses Day. May the noble services of all the nurses bring comfort to the patients and the sick people.

International Mother's Day

"I treasure our happy moments together. I will carry your love and warmth forever in my heart dearest mother."

A mother is she who can take the place of all others but whose place no one else can take. Today we honour and celebrate the special maternal bond that we have with our mothers. I would like to ask my children, please spend time with your MOM. We spend long time with our friends and smart phones. She deserves your time. Learn to respect the God-given bond with your MOM. Learn to be frank with your MOM. Share everything. This is a privacy-seeking generation. But from MOM, what privacy do you need. She often loves you unconditionally. You won't find such love and relationship that easily. Do not treat this love and your MOM in a cheap manner taken for granted. God bless our MOMs.

Happy Mother's Day

Formation Of Houses

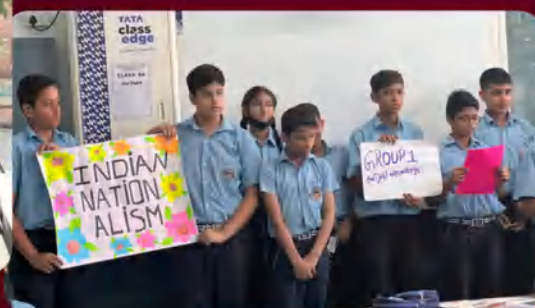

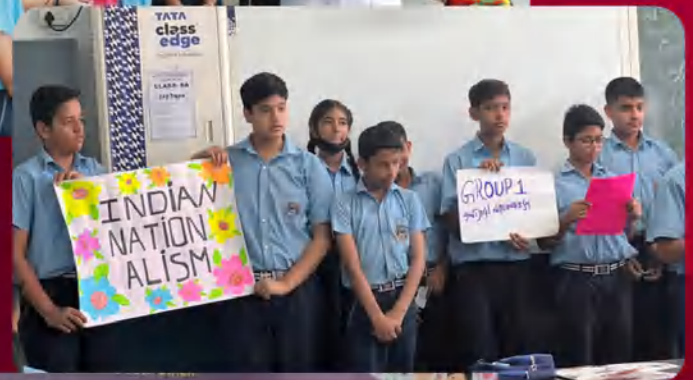

The formation of different houses (Allegiance, convergence, Diligence and Divergence) was held as per the schedule in the monthly plan on Saturday (13/5/23) .

Each Petrine was given the privilege to become the member of any one of the house . They were made to stand as per their height (girls and boys separately) to have gender equality, then they called out the numbers 1 to 4 and repeating the same for the whole class . All the No. 1s of girls and boys became as group 1, then no. 2s as group II , no. 3s as group III , no. 4s as group IV .

All the house captains , vice captains , the house teacher incharges were called on the stage , stood beside their house flags and our principal requested them to pick up the slips to know their houses as per the groups . It was a great moment for each one of them where they experienced the importance of each Petrine and their contribution towards their growth and success. Fr. S. Joseph announced the name of the groups and their houses to the whole school community . All the petrines cheered and chanted with great enthusiasm and excitement. Our principal wished each one of them to work with team spirit, respect and accountability.
