A WEEKLY UPDATE
SESSION 2023-2024

PETRINE PULSE

Regenerating Hope

Easter celebrates the Resurrection of Lord Jesus Christ. Faith in His resurrection is the foundation of Christian belief. And this faith has given HOPE to billions and trillions of believers all over the world through the past 2000 years. 'The Lord is risen. Alleluia!' - This chorus has given HOPE to the world to hold on to.

HOPE is a magic word. With HOPE, one gets to have a new perspective. We find a new vigour to march towards solutions. With HOPE, we rise. With HOPE, we move forward. With HOPE, we become positive, and see goodness all around. With HOPE, we say YES to every opportunity.

As I visited our classrooms, I found on the notice board of one of our classrooms a quote: "Welcome to our class where MAGIC never stops, ADVENTURE never ends." What a HOPE! This is my wish and effort that every child in every classroom of our school gets this positive and joyous vibe and experience. All esteemed members of the school staff must wish this and attempt towards achieving this. During this academic session (2023-2024), we shall transform ourselves into Petrines who HOPE, Petrines who say YES to every opportunity and every activity.

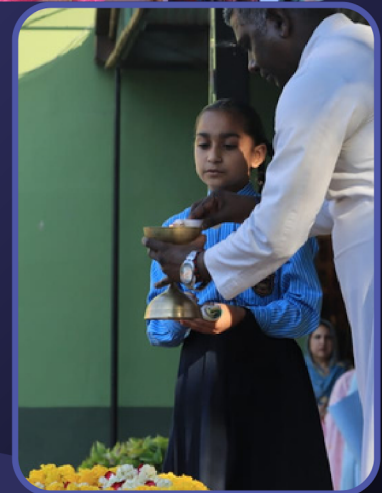

As we begin a new academic session, let's resolve to create such revivifying HOPE in our children that would generate unending energy, motivation, goodness, and positivity within them.

I wish God's choicest blessings upon those involved in bringing out the first edition of the 'Petrine Pulse' – an online connect that feeds us info on the Petrine Family. Have a fruitful, happy and hopeful new academic year. God bless the Petrine Family. God bless you!

Fr. S Joseph
- Principal

10 April 2023

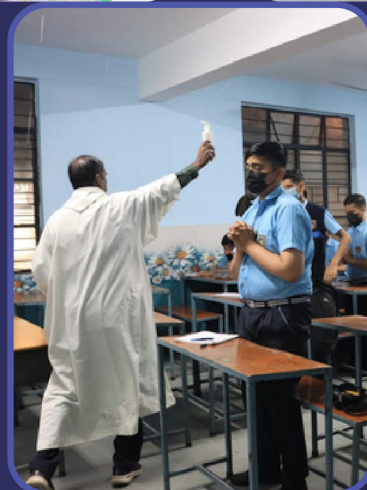

Say YES to every opportunity

School reopens with HOPE to make this session even better than the previous ones. Petrines, filled with zest and zeal are ready to say YES to every opportunity.

Showers of blessings

Showers of blessings with sprinkling of holy water are given by the loving and merciful Lord through our endearing fathers - Rev. Fr. Justin Thiraviam & Rev. Fr. Suman Anthony.

Thus, creating a blissful atmosphere in the campus and making every Petrine the blessed ones on the first day of the new academic year: 2023-2024. This was also the first No Bag Day of the Academic session.

11 April 2023

Siblings Day

'Blood is thicker than water', roared the Petrines on this Siblings Day. Petrines who are siblings highlighted the relevance of the day through their specially prepared charts and articles. They also displayed the bond between them joyously on the stage through various cherishing gestures.

12 April 2023

Subject Enrichment Activity

SEA (Subject Enrichment Activity) focuses on enhancing, understanding and building upon knowledge of the students through creative and variety of tasks, games and activities. A group of our dear Petrines showcased the importance of SEA in the school through a skit.

An important training session by the officials from EMBIBE was conducted for the students of classes 6, 7, 8, 9 & 10 on April 12 & 13, 2023. Mr. Mir Muntazir, the Team Lead - Academic Delivery and Learning Outcomes at EMBIBE led the training from the front with efficiency and expertise.

With this important training, our Petrines are empowered and equipped with needed skills to use EMBIBE - the Artificial Intelligence (AI)-powered personalized educational platform. Our Petrines now have information on STUDENT EMBIBE APP, its installation and usage. All the best, dear Petrines, for an enhanced understanding and learning.

In the morning assembly, our ever-charming Petrines highlighted the valuable contributions of Dr. B. R. Ambedkar, the father of Indian Constitution, and the importance of Baisakhi.

They also correlated our theme 'Say YES to Every Opportunity' with the newly-introduced Student Enrichment Activity (SEA) of the esteemed CBSE.

Weekly Glimpse

EMBIBE PROGRAM

Embibe Programme in the Petrine campus

Embining know-how but with an edu-tech touch is introduced in the campus for the students as well as the teachers. There were different sessions for the teachers, related to the new AI-powered platform of learning. The training team supported the faculty members in implementing an edged pedagogical approach, NEP and upgrading the old methodologies.

The leading resource person was again Mr. Mir Muntazir, the Team Lead - Academic Delivery and Learning Outcomes at EMBIBE with his team representatives - Mr. Shamsul Haq and Mrs. Supinder Kour.

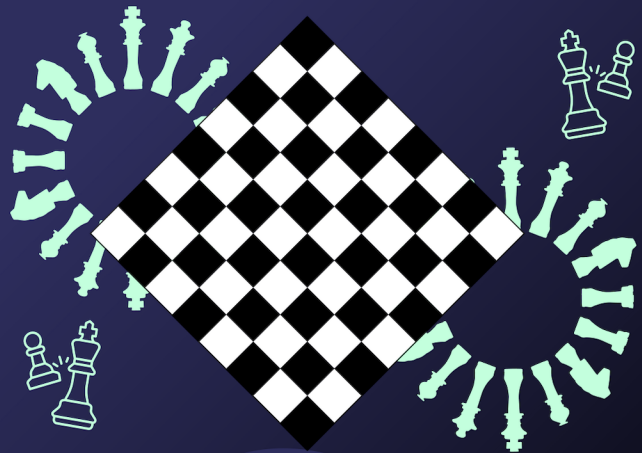

Know **UPCOMING** More... Events

- ➔ For the first time in St. Peter's, our enthusiastic Petrines will compete in a practice Chess Competition on Monday, April 17, 2023, the better-playing players of which will be selected to participate in an inter-school Chess Tournament, organized by Jammu Sahodaya Schools Complex (JSSC) at Heritage School on April 27, 2023. All the best, dear Petrines.

"In any situation in life, being adaptable is the only way to grow and succeed."
