INTEGRITY – A MUCH NEEDED YET MISSING VALUE

For me, INTEGRITY is dedication to truth. Dedication to truth always, even when no one monitors us, even when one is all alone, is INTEGRITY. This is what makes a society, nation, person, and an institute educated, developed, and civilized. Lack of this important virtue is often the sole reason for a corrupt society, nation, or a person.

On Saturday, April 29, 2023, our management together with all esteemed members of the staff were elated to see our endearing Petrines of the previous session - class X batch. They were invited so that the school could honour and salute our outgoing Petrines. This was our last JKBOSE batch. This was the first batch of Class X in our much-awaited CBSE journey. This was the batch that proved no pandemic nor lockdowns could ever prevent one from being responsible. This was a greatly-fascinating batch.

Students were highly energetic and ecstatic, delighted and thrilled. They are a great batch, which has many excellent and excelling human persons. To these happy Petrines, I had asked for a guru-dakshina – to be the Petrine ambassadors with INTEGRITY in the broader, wider world of grand opportunities to which now they are sent out to. The Petrine Family wishes God's choicest blessings upon every one of them. Happy life ahead, dear Petrines.

The Petrine Family was blessed with many graces during this week. Our students were engaged in different activities. Petrine Pulse is filled with information of the events of and happenings at the school. Enjoy reading it and give us your feedback. We will appreciate.

One of the major tasks for the Petrine management was to choose a sensible, caring, and efficient Petrine Students Council. There were students - nominated and recommended. We had three unique rounds for the selection process. Students enjoyed the selection process which was, indeed, student-friendly. By the end of the week, we successfully selected a meritorious team of Petrine Students Council, which now awaits consent from their parents. I believe that this team's core strength is the virtue called INTEGRITY. We sincerely thank Rev. Fr. Mariadass for supporting us in this highly -important endeavour.

All the best, dear Petrines. God bless the Petrine Family and our charming City of Temples. Praise the Lord!
