***CELEBRATIONS OF ANTICIPATION AND GRATITUDE***

Expectedly this week belonged to the Petrine Student Council (PSC). 41 Petrines found their rightful place in the Council. On Tuesday, the 2nd of May, the scheduled Investiture Ceremony postponed to Thursday, the 4th of May due to pleasant weather – the relieving showers and rains.

During an hour-long special morning assembly, the Investiture Ceremony was solemnly witnessed by all the Petrines as the selected members of the PSC were majestically paraded and presented. A solemn event, indeed, it was! As I administered the sacred pledge to the members of the PSC, I could feel the Presence of the Divine Spirit of New Beginnings. It was, indeed, a great honour bestowed on me to present badges, sashes, rose petals, and chocolates to the respected members of the PSC. The entire Petrine Family erupted in ecstasy to congratulate the new PSC.

The Petrine Family was filled with rapturous joy as the names of the Student Prefects and the Captains and Vice-Captains of the Houses, Mentors and Co-Mentors of the Clubs were declared. In the message to the PSC, referring to the Holy Bible, I requested the members of the PSC to realise that it was not they who chose to be part of the PSC, but St. Peter's High School which chose and appointed them as the PSC. It is the TRUST of St. Peter's High School – the Petrine Family. Hence, I appealed the new PSC never to betray this TRUST. However, it must be said that all felt that we have this time selected 'a sensible, caring, and efficient' PSC with integrity. The hon'ble coordinators – Rev. Fr. Peter Paul and Mrs. Stella Alexander, the esteemed members of the Staff and students congratulated the new PSC. Congratulations, dear Gurseerat Kour and Mohd. Usman! Congratulations, dear PSC!

The 1st of May is indeed a grateful day of appreciations. It is a memorable day when the whole world comes together in appreciation of and gratitude to our fellow human beings who TOIL harder with their hands and body, and who ENRICH our lives through their PAIN. Worker's Day – May Day is, indeed, a precious gift to humanity.

The Petrine Family is a grateful family. It gratefully recognises the fact that the students, teaching faculty, management and the visitors to the campus have a relaxing and smooth day because of our Supportive Staff. Though the pleasant showers did play a killjoy, we the Petrines succeeded in honouring, appreciating, and thanking our Supportive Staff for the persons they are, for all they do for our welfare and for the sacrifices and pains they endure in making our lives better every day. Thank you, dear Mohd. Wazim Khan and the entire team of our hardworking Supportive Staff.

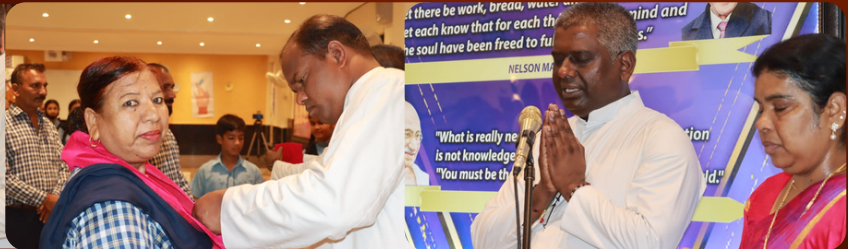

All the best, dear Petrines. God bless the Petrine Family and our delightful Jammu. Praise the Lord!
