Principal's Message

Embracing Change with Resilience

Dear Petrine Family,

As we settle into the new academic year, the theme of resilience continues to guide us. Last week, during 'Changes Week', we explored the importance of adapting and thriving in an ever-evolving world. Last week, as we witnessed the auspicious Navratra, the joyous Eid-ul-Fitr, and the vibrant Baisakhi, we are reminded of the strength found in our diverse traditions.

These celebrations, alongside the legacy of Dr. B. R. Ambedkar, a champion of equality and social change, inspire us to face challenges with unwavering spirit. Just as the nine goddesses of Navratra symbolize overcoming obstacles, Eid-ul-Fitr celebrates perseverance after a month of fasting, and Baisakhi marks the beginning of a new harvest season, each teaches us valuable lessons about resilience.

Here at our Petrine Family, we embrace the power of community to support one another. As we navigate changes, both big and small, let's remember the lessons learned during 'Changes Week' and draw inspiration from these ongoing celebrations. Let's cultivate the strength to adapt, the courage to face difficulties, and the unwavering spirit to rise above challenges, just like the heroes we celebrate.

Together, we can build a vibrant and resilient Petrine community where everyone thrives.

Warmly,

Fr. S Joseph

Principal, St. Peter's High School

Introducing the CEED Club: Cultivating Skills, Nurturing Talents

Introducing the CEED Club: Cultivating Skills, Nurturing Talents

The CEED Club is not just another extracurricular activity—it's a seed of opportunity planted in the minds of our students, aiming to cultivate their personalities and enrich their skills. CEED, which stands for Communicate, Elocute, Extempore, Drama, Dance, and Debate, embodies our commitment to fostering well-rounded development through a diverse range of activities.

Our vision for the CEED Club is simple yet profound: to ensure that every Petrine member experiences the joy and growth inherent in these activities. Whether it's mastering the art of public speaking through elocution, engaging in spirited debates, expressing creativity through dance and drama, or thinking on their feet with extempore speaking, students will find ample opportunities to hone their talents and build their confidence.

Through participation in the CEED Club, students will not only learn valuable skills but also develop the resilience and adaptability needed to thrive in an ever-changing world. Just as a seed grows into a sturdy tree with deep roots, we aim to strengthen the foundation of our students' abilities, preparing them to face any challenge with confidence and grace.

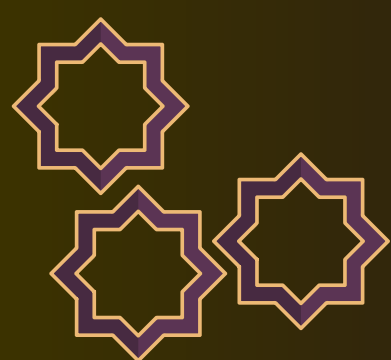

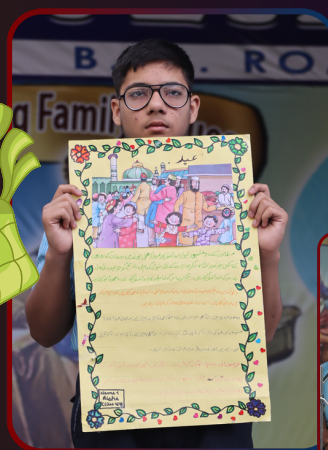

***Congratulations to
the Petrines***

We are proud to announce the dedicated team of teacher incharges who will guide and inspire our CEED Club members: Mrs. Geetika Sharma, Mrs. Sarchana Jamwal, and Mr. Rahul Kohli. With their expertise and passion for nurturing talent, we are confident that the CEED Club will flourish and leave a lasting impact on the Petrine community.

Join us as we embark on this exciting journey of growth, learning, and self-discovery with the CEED Club!

Eid-Ul-Fitr Celebrations

" Witnessed the magic of Eid-ul-Fitr through the lens of creativity today! Our students from 10C showcased the true spirit of this joyous occasion in a special assembly filled with heartwarming performances and insightful presentations. From soulful recitations of Eid prayers to vibrant cultural displays, every moment was a celebration of unity and gratitude. The students also performed a mesmerizing kawali. Let's cherish the memories of this beautiful assembly as we continue to embrace the values of love, compassion, and togetherness that Eid represents. _

Illuminating Paths: A Journey of Empowered Parenting and Holistic Growth."

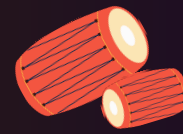

" Today marked an enriching milestone at our campus with not just one, but two impactful Parent's Orientation Programmes! Welcoming the parents of Grade 4 & 5, as well as Grades 6 to 8, our sessions were nothing short of inspiring. Led by the seasoned expert Mr. Ram Duggal, whose 17 years of expertise spans across education, training, management, marketing, and HR, the atmosphere was charged with enthusiasm and eagerness to learn.

Parents were not just participants; they were active contributors in the insightful interactions, deeply engaged and motivated throughout the sessions. Their palpable enthusiasm and receptiveness reaffirmed our collective commitment to the holistic development of our children.

We extend our heartfelt gratitude to Fr. S Joseph, our esteemed Principal, for orchestrating these enlightening programmes. It's through such collaborative efforts that we pave the way for brighter futures and empowered parenting. Here's to nurturing growth, together!

Baisakhi Celebrations

" Today, our campus radiated with the vibrant spirit of Baisakhi as we came together to celebrate this joyous occasion! The energy was palpable as our talented students showcased mesmerizing dance performances that filled the air with joy and enthusiasm.

Amidst the festivities of Baisakhi, the students of grade 9 paused to reflect on a poignant moment in history. Grade 9 petrines captivated our hearts with a powerful portrayal of the Jallianwala Bagh massacre, shedding light on a significant chapter of our past. Their performance was a poignant reminder of the sacrifices made for freedom and the importance of never forgetting our history. Let's continue to honor our heritage while embracing the spirit of unity and progress.

Baisakhi is a festival celebrated by Sikhs, with both religious and harvest significance. It marks the formation of the Khalsa (the pure one) which occurred on Vaisakhi day in 1699, established by Guru Gobind Singh, the tenth and last Sikh Guru. On this day, Guru Gobind Singh abolished the distinction between higher and lower caste communities, proclaiming equality for all human beings. The creation of the Khalsa represented a turning point in Sikh history, emphasizing principles of courage, righteousness, and selflessness. Baisakhi holds immense importance as it not only commemorates the birth of the Khalsa but also symbolizes the spirit of unity, service, and social justice within the Sikh community. It is celebrated with fervent devotion and prayers.

Changes Week

8 to 13 April 2024

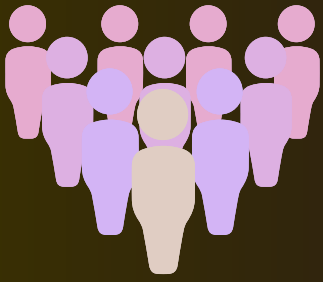

Embracing change : Celebrating Changes week

Change is the heartbeat of growth and progress. It's the force that propels us forward, nudging us out of our comfort zones and into new experiences. Embracing change isn't always easy; it can be like riding a rollercoaster, full of unexpected twists and turns. But just like a rollercoaster ride, change brings excitement and exhilaration to our lives.

At our school, we recognize the importance of change and the power it holds to shape our futures. That's why we're celebrating Change Week—a time to reflect on the transformations we've experienced and the lessons we've learned along the way. Whether it's adapting to new routines, facing challenges head-on, or discovering hidden strengths, each change we encounter is an opportunity for growth and discovery.

So let's strap in, hold on tight, and embrace the ride! Because in the end, it's those unexpected twists and turns that make life's journey truly exhilarating.

Assemblies

We're thrilled to launch "Changes" week! Our journey began with a thought-provoking assembly led by the Petrines of Grade 10A. The theme of embracing change resonated beautifully, setting the stage for a week of exploration and learning. Today, let's approach change with open arms, like we're about to conquer that first big climb. Challenges might pop up, but we're a team at St. Peter's, and together, we're rockstars at adapting and learning. So, buckle up, get ready for a wild ride of learning, and remember, we've got the resilience to handle anything that comes our way!

09 April
2024

As we welcome the dawn of this sacred festival, let's embrace it with the same zeal we bring to learning. Today marks a new chapter at St. Peter's High School, brimming with laughter, knowledge, and cherished moments. May it be as remarkable as the strength and wisdom celebrated during Navratri.

Our 10B students organized a beautiful morning assembly on "1st Navratri: A Journey of Spiritual Renewal," highlighting the acceptance of divine energy guiding us with grace and devotion. Let's walk this path together with illuminated hearts!
