Subject: Reflecting on a Thriving Year & Looking Ahead Together

Dear Parents,

As we approach the end of the academic session, it's a time to celebrate our journey together. This year brought exciting changes in the second year of the implementation of the CBSE curriculum. We embraced this challenge with a positive outlook, knowing that "last year's words belong to last year's language and next year's words await another voice. And to make an end is to make a beginning" (T. S. Eliot).

I want to express my sincere gratitude for your unwavering support. Your collaboration has been instrumental in fostering a learning environment where our children can blossom. They've grown into more **knowledgeable** (enlightened), **skilled**, and **confident** individuals, constantly striving to be their best versions.

This session provided numerous opportunities for your child to shine. They participated in various activities, including CBSE initiatives, *Sahodaya* events, intra-school games tournaments, debate activity both in Hindi and English, mock parliament session, on-ground visit to factories, ashram-based activities, peace rally, charity drives, and the unforgettable themed Family Days. These experiences enriched them and helped them discover their hidden talents and potential. Witnessing their achievements fills us with immense pride!

Student Enrichment Activities (SEA), Subject Enrichment Activities (SEAs), Periodical Tests (PT), Internal Monthly Assessments (IMA) for grade subjects, summer special classes, remedial classes, and engaging initiatives like competitive activities and No Bag Day (NBD) created a dynamic learning ecosystem. The management remains committed to providing all the necessary resources to empower our students.

Dear parents, we've embarked on a collaborative journey to educate our children using innovative methods. We firmly believe that with your continued support, we can equip them to develop **well-rounded personalities** (holistic personality).

However, we understand that not all parents are actively involved. We encourage you to connect more deeply with your child. Embrace their **unique qualities** (likes, dislikes, limitations, and talents). Be their constant companions, offering unconditional love and support. Remember, even the smallest word of encouragement goes a long way in building their confidence.

Get Ready for a Fun-Filled Break and a Fresh Start! Here's what you need to know for the upcoming break after Term-2 End Examination and new school year:
